Rules

- Each team will curl 7 ends.
- The hammer of each end will be determined by cutting of the deck, low card is the hammer, Ace is low. The cut will be made by the **LEAD**.
- Points are awarded based on normal curling points and recorded on your score card.
- At the completion of each end the **SECOND** will draw a card, sealed in an envelope. This must remain sealed until the score cards are handed in at which time the envelopes will be opened. The **VICE** will chose the best 5 cards to make up a poker hand.
- Card scores will be awarded as follows:
 - A Royal flush = 8 pts
 - Straight flush = 7 pts
 - Four of a kind = 6 pts
 - Full house = 5 pts
 - Flush = 4 pts
 - Straight = 3pts
 - Three of a kind = 2 pts
 - 2 pairs = 1 pts
 - 1 pair = .5 pts
 - High card = 0
- These points will be added to the score of the curling round. The team with the most points wins.
- In the event of a tie, the teams will play one hand of 5 card stud to determine the winner. This game will be played by the team's **SKIP**.
- The total combined score of both games will be the winner.
